2026 Convention Program Advisory Committee and Reviewers

The 2026 Program Advisory Committee (PAC) is headed by our chairpersons **Joe DeMarsh**, Garden City Public Schools, MI, **David Peyton**, University of Wisconsin-Eau Claire, **Jessica Perdue**, Clinton-Massie Local Schools, OH, and **Jennifer Webb**, Malone University, OH. Our CEC Board Liaison is **Mabel Rivera**, Member-at-Large, 2025-2028. Along with our chairpersons, our PAC representatives assist with proposal reviews and selections. The PAC reviews proposals for the CEC 2026 Convention with multiple goals in mind: to construct a timely, comprehensive, and balanced program that reflects the varied interests of our attendees, while also fostering and energizing the professional community. Program chairs, committee members, representatives from CEC's divisions, and CEC leaders—representing all areas of expertise in the field—have worked diligently to curate presentations of high quality and diversity to benefit you, our valued convention attendees.
